

2024 Proposed Tournaments & Events

Summer Starter (SS)

The Summer Starter will combine a 2-round class CELR. One or more cash prize events may be structured. The dates for the Summer Starter are planned for our traditional second weekend in June (June 8 & 9, 2024). Sanctioned practice may be Monday – Friday, the week of the tournament, but will not preclude owners exercising ski privileges.

Weekday Official's Development (WOD) Tournaments*

Weekday tournaments are planned for the following dates: Jun 26th, Jul 17th, Aug 28th, and Sep 18th. The agreement is to use a Whitestone boat on only one lake. There will be one lake available to the Association for skiing. All entries will be paid at the posted fee amount.

Fall 3-Event Tournament (Fall Finish)

The dates will be September 28/29 with a backup date of October 5/6. Details TBD.

WLEPOA Common Property Use

When a sanctioned practice is held, or otherwise associated with a tournament, Whitestone boats may be used. The fee structure should cover the cost of the ski set independent of the associated tournament revenue. If a promo owner is willing to make a promo boat available for practice, the use of that boat will be treated as if it were part of the associated tournament.

For the WOD tournaments, the intent is to use an Association boat. For all other tournaments, the Board may authorize the use of Association boats if the necessary promo boats are not available.

Tournament Directors will be appointed by the Ski Activities Coordinator (SAC).

* If one of the boats and/or lakes is out of service, a vote will be sent to the Owners no later than 3 days (72 hours) prior to the scheduled event on whether to proceed with the tournament. If a boat goes out of service within 3 days (72 hours) of the scheduled tournament, the Board will have decision making authority regarding the tournament and use of the remaining boat. Notice will be sent to Owners ASAP.
